Agency Overview

Concho Valley Transit District

The Concho Valley Transit District (CVTD) is a political subdivision of Texas that Texas Transportation Code Chapter 458 authorizes, and therefore receives state funds for transit services. CVTD serves as a rural transit district (RTD) for 12 counties in central and western Texas, including Coke, Concho, Crockett, Irion, Kimble, McCulloch, Menard, Reagan, Schleicher, Sterling, Sutton, and Tom Green Counties. In 2006, CVTD took over the responsibility from the City of San Angelo to provide public transportation for the San Angelo urbanized area (UZA), and CVTD serves as an urban transit district (UTD) as well.

As a rural transit district, CVTD operates demand-response service in rural areas of Tom Green County and all of the rest 11 counties. CVTD develops a fixed schedule for each county to provide regular out-of-county bus service. As an urban transit district, CVTD operates fixed-route service and ADA

paratransit service within the city limit of San Angelo, and for the San Angelo UZA outside the city limit. In addition, CVTD contracts with American Medical Response (AMR) to provide non-emergency medical transportation for eligible residents in the entire Concho Valley Region. CVTD also partners with several local agencies and organizations, such as Foster Grandparents, Senior Companion and Area Agency on Aging, to provide transit services to their clients.

The Concho Valley Council of Governments (CVCOG) is the parent agency of CVTD.

CVT's ADA Para-Transit Program

What is ADA Para-Transit?

ADA Para-Transit is a program administered by Concho Valley Transit and provides destination-to-destination public transportation to riders who qualify for one or both of the following services currently offered by the program:

ADA Service

Concho Valley Transit's ADA Service (sometimes called Para-transit Service) provides specialized transportation for people with disabilities who are not able to fully utilize the fixed-route public transportation system. This service is designed to meet the requirements of the Americans with Disabilities Act of 1990 (or ADA) and provides comparable service to the fixed route service. Concho Valley Transit's ADA Service can be used to travel from any origin to any destination citywide during the same days and hours of operation as the fixed route.

Eligibility and Certification

Who is eligible for ADA Para-transit Service?

Eligibility for Concho Valley Transit ADA Para-transit service is based on a person's inability to use the fixed-route bus system due to a disability. ADA regulations provide that a person may be eligible for Para-transit services under one of the following three categories:

Category 1: (Section 37.123(e) (1) of the ADA regulations).

"Any individual with a disability who is unable, as a result of a physical or mental impairment (including a vision impairment), and without the assistance of another individual (except the operator of a wheelchair lift or other boarding assistance device), to board, ride, or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities."

- This applies to those persons who are unable to use fully accessible fixed-route bus service and includes those individuals who cannot independently navigate the fixed-route system.

Category 2: (Section 37.123(e) (2) of the ADA regulations).

"Any individual with a disability who...is able...to board, ride and disembark from any vehicle which is readily accessible...if such a vehicle is not being used to provide designated public transportation on the route."

- This applies to an individual who would be able to use the fixed-route bus system if it were accessible (e.g., if a low-floor or lift-equipped bus is not available). This category is not required once a transit system is 100% accessible.

Category 3: (Section 37.123(e) (3) of the ADA regulations).

"Any individual with a disability who has a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location on such system."

- This applies to an individual who, because of his/her disability, cannot access a particular bus stop to board the fixed-route bus system or cannot access his/her final destination after disembarking from a fixed-route bus. Eligibility is determined each time the eligible customer calls.
- *Note: A condition which makes traveling to a boarding location or from a disembarking location more difficult but does not prevent the travel; or environmental conditions and architectural barriers not under the control of the public entity do not, when considered alone, form a basis for eligibility.*

Types of Eligibility

Based on an assessment of individual needs and circumstances, applicants may qualify for any one of the following ADA Para-transit types of eligibility:

Unrestricted – Full access to the service for up to three (3) years.

Temporary – Full or conditional access to the service for the expected duration of a temporary disability that serves as the basis for ADA eligibility.

Conditional – Access to the service for up to three (3) years only when conditions exist that impact an individual's ability to use the fixed-route bus system as determined during the eligibility process. Conditional eligibility may be approved based on weather conditions, unfamiliarity of trips, specific origins or destinations, time of day, etc.

Service for Visitors

Visitors to the San Angelo area can use Concho Valley Transit for up to 21 calendar days a year by providing proof of ADA eligibility in another city or other documentation that they have a health condition or disability which prevents them from using regular buses. For information on Visitor Status with Concho Valley Transit, please call 1-877-947-8729.

Customer Fares

How much does each trip cost?

Customer fares are \$2.00 on all one-way trips for ADA service. Please remember that all passengers must pay the exact cash fare when boarding the Concho Valley Transit vehicle or have pre-purchased a Red Dot card at the CVT Multimodal facility– drivers do not carry change. A Red Dot card is a \$20.00 prepaid card that is representative of 10 ADA trips. Red Dot cards can be purchased from the driver or at the CVT Multimodal facility.

ADA Service – ADA regulations allow the fare charged to an ADA eligible user for each trip to be twice the fare of a comparable fixed-route bus trip. Please visit the Concho Valley Transit web site at www.cvtd.org for current fare information. If a customer's eligibility certification includes a Personal Care Attendant (PCA), the attendant is allowed to ride free of charge. Persons, other than the PCA, riding with the customer are considered Guests and are charged the same fare as the eligible customer. ADA eligible customers may travel with one PCA and one Guest.

Children age 6 and under may ride free of charge. Please remember that all passengers, including PCA's, Guests, and children, must be scheduled at the time of the reservation to ensure space availability on the vehicle. Additionally, all PCA's, Guests, and children must travel from the same origin to the same destination as the eligible customer.

*Hint: Have your **exact** fare ready at the time of your trip. Payment is due as you board the vehicle and drivers do not carry change.*

During the reservation process, you will be given a 30-minute window in which the driver will be scheduled to arrive. Your vehicle may arrive at any time during this 30-minute window. ***Please be ready to go at the beginning of your pickup window to avoid any delays.***

Note: Concho Valley Transit is busiest between 7:00AM - 10:00AM and 1:00PM – 5:00PM but varies day to day. If your travel times are flexible you may wish to avoid traveling during these times.

- Tell us if you have an appointment time so we can schedule your trip to arrive at your destination before your scheduled appointment.
- Be aware of the opening and closing times at your destination to avoid waiting outside the building before or after business hours.
- Allow extra time for the pickup and drop-off of other passengers before reaching your destination. Concho Valley Transit is a “shared ride” service and you may be on the vehicle up to 60 minutes to accommodate other trips.
- Listen carefully to make sure your trip is scheduled correctly. The Customer Service Agent will repeat your trip information.

“Will-Call” Return Trips:

If you have a medical appointment, Concho Valley Transit realizes it may be difficult to predict your return

time. For medical trips only, you may schedule a “will-call” return during the reservation process. “Will-call” trips are not assigned to a vehicle until you call and activate the “will-call”. When you are ready for your return trip, simply call Concho Valley Transit at 1-877-947-8729 and tell us you are ready. The Customer Service Agent will activate the “will-call” and assign your trip to a vehicle. Please note: For “will-call” returns, your vehicle will be scheduled to arrive within 5 minutes to one (1) hour of your call. “Will-call” returns are rides from the location in which you were dropped off. Please note that should you move locations that is considered a same day trip which we are unable to accommodate at this time unless you have this pre-planned and dispatch has noted that your “will-call” return trip pick up is at another location.

Attendants and Guests

Concho Valley Transit customers may travel with up to two guests, one of which may be designated as a personal care attendant. Additional guests may be accommodated only if space is available.

Personal Care Attendants (PCA)

A personal care attendant is defined by the ADA as “someone designated or employed specifically to help the eligible individual meet his or her personal needs.” Customers are required to indicate during the eligibility and certification process whether he or she travels with a personal care attendant. Customers approved to travel with a PCA must inform the Customer Service Agent during the reservation process that their PCA will be accompanying them. PCA’s must travel from the same origin to the same destination as the customer and are not charged a fare for ADA service.

****CVT reserves the right to request a PCA in certain situations for the safety of our clients and for the protection of our employees.***

Guests (or Companions)

Any person, other than a personal care attendant, traveling with a customer is considered a guest. Guests must travel from the same origin to the same destination as the customer and pay the same fare as the customer.

Note: Be sure to inform your Customer Service Agent of any PCA’s or Guests, including children, who will be traveling with you. Every seat must be reserved in advance. PCA’s and Guests that are not included in the trip reservation will not be allowed to travel.

Service Animals and Pets

Service animals are permitted on all Concho Valley Transit vehicles. A service animal is any guide dog, or signal dog, or other animal individually trained to do work or perform tasks for an individual with a disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under ADA. Please inform the scheduling office if a service animal will be accompanying you on your trip. Animals must not pose a threat to any passenger or the vehicle operator. Animals shall not block or in any way obstruct aisles or doorways. Small pets, which are not service animals, may accompany Concho Valley Transit customers as long as they are in an approved pet-carrier that you can hold on your lap during the entire trip. Unruly, aggressive, noisy, or pets that are a disruption to other passengers can be refused. Owners must be in complete control of their pets.

Completing Your Trip

The Pickup Point

Your vehicle may arrive any time during your 30-minute pickup window. Concho Valley Transit provides destination-to-destination service and cannot enter residences or businesses. Please be ready and waiting near the most exterior door. If you are using a wheelchair, there must be an accessible path from your pickup point to the vehicle. Drivers are unable to assist wheelchair passengers up or down steps or along other non-accessible paths.

Drivers are required to wait for passengers up to five (5) minutes after their arrival or five (5) minutes after the start of the scheduled pickup window, whichever is longer. If you are not available to board the vehicle within five (5) minutes, the driver may leave and your trip will be forfeited.

Please let the dispatcher know if you are in need of any reasonable accommodations when scheduling your trip. Recipients of Federal financial assistance are required to provide reasonable accommodations by making temporary, situational changes to policies, practices, and procedures, if needed, by an individual with a disability to enable him or her to participate in the recipient's program or activity, unless providing such accommodations are an undue financial and administrative burden or constitute a fundamental alteration of the program or activity.

Your CONCHO VALLEY TRANSIT Vehicle and Driver

Concho Valley Transit utilizes a dedicated fleet of vehicles for both the ADA and non-ADA services. Drivers are required to wear identification badges and a uniform, and will identify themselves as Concho Valley Transit drivers.

During Your Ride

Concho Valley Transit operates as a shared-ride service. You should expect to routinely share your vehicle with other Concho Valley Transit customers. As a result of the shared nature of the service, please note the following:

- Seat selection is first come, first served.
- You may or may not be taken directly to your destination. The vehicle may deviate significantly from a direct route to your destination in order to accommodate other passengers.
- Be prepared to be on board the vehicle for up to one (1) hour or more for significantly longer trips. Please schedule your trip accordingly.
- Passengers are expected to be courteous to all fellow passengers and the vehicle operator.

The Drop-Off Location

Concho Valley Transit provides curb to curb service. Drivers must maintain sight of their vehicles at all times. If you are using a wheelchair, there must be an accessible path from the vehicle to your destination. Drivers are unable to assist wheelchair passengers up or down steps or along other non-accessible paths.

Please plan ahead and make sure that you will be able to access your destination and, if necessary, someone is there to receive you. Drivers will not leave customers outside a locked building or other unsafe location. **Please let the dispatcher know if you are in need of any other reasonable accommodations when making your reservation so that we can accommodate that request. Recipients of Federal financial assistance are required to provide reasonable accommodations by making temporary, situational changes to policies, practices, and procedures, if needed, by an individual with a disability to enable him or her to participate in the recipient's program or activity, unless providing such accommodations are an undue financial and administrative burden or constitute a fundamental**

alteration of the program or activity.

What if I miss my trip?

Occasionally circumstances arise and you are unable to complete your scheduled trip. Please see the Cancellation and No-show” section for more information on when and how to cancel your trip.

Concho Valley Transit does not offer same-day service. If you miss your trip, you are responsible for rescheduling your trip for another day or for finding alternative transportation.

If one of the following conditions occurs, Concho Valley Transit may attempt to send another vehicle following standard “will-call” return trip procedures:

- 1) The missed trip was due to a reservations or scheduling error.
- 2) The missed trip was caused by the vehicle arriving late or due to Driver error.
- 3) Certain other unavoidable circumstances or situations where the customer may be stranded away from home.

If you miss your trip and still need transportation, please contact your Customer Service Agent to discuss your options.

NOTE: If you are at home or if you are not ready and refuse a trip after the driver makes contact with you within the pick-up window, Concho Valley Transit **will not** send another vehicle.

Hint: Make sure you are ready at the beginning of your pick-up window so that you don't miss your ride.

Cancellations and No-Shows

Sometimes, plans change and you may need to cancel your trip. Trips can be cancelled by calling Concho Valley Transit at 1-877-947-8729.

Advanced Cancellation

Any cancellation made by 4:45 PM the day before your scheduled trip is considered an advanced cancellation. Proper advanced cancellations allow Concho Valley Transit to reassign resources and limit disruptions caused by changing schedules. No penalties are assessed for advanced cancellations.

Same Day Cancellation

Any cancellation at least two (2) hours before the start of your scheduled pick-up window is considered a same day cancellation. Cancelling your trip at least two (2) hours in advance allows Concho Valley Transit to reassign your scheduled vehicle to another customer. No penalties are assessed for same day cancellations that fall within this time-frame.

Late Cancellations

Cancellations made less than two (2) hours but at least 30 minutes before the start of your scheduled pick-up window are considered Late Cancellations and may result in penalties which could lead to suspension of service – See the Late Cancellation and No-Show Policy for details.

No-Shows

A “No-Show” occurs when...

1. The customer cancels the trip less than 30 minutes prior to the start of the scheduled pickup window.
2. The vehicle arrives on time, but the customer no longer wants the ride – also called a “cancel at the door”.
3. The vehicle arrives on time, but the driver cannot locate the customer at the requested pick-up location.
4. The vehicle arrives on time and waits for five (5) minutes, but the customer is not ready to go, and the driver must leave to stay on schedule.

Customers who demonstrate a pattern or practice of No-Show's and/or Late Cancellations may incur penalties which could lead to a suspension of service – see the Late Cancellation and No-Show Policy for details. NOTE: If you No-Show the first leg of your trip all additional trips scheduled for that day will not be automatically cancelled. You must call Concho Valley Transit to cancel any remaining trips that are no longer needed or risk additional penalties.

Late Cancellation and No-Show Policy

The Americans with Disabilities Act (ADA) of 1990, section 37.125(h) states that “The entity may establish an administrative process to suspend, for a reasonable period of time, the provision of complementary Para-transit service to ADA eligible individuals who establish a pattern or practice of missing scheduled trips.” Concho Valley Transit has established the following points-based process to enforce its late cancellation and no-show policy.

Points System

Based on the definitions in the Cancellations and No-Show Policy section above, points are assessed for each occurrence of the following infractions:

Advanced Cancellation: 0 points – Thank you!

Same Day Cancellation: 0 points – ***(If trip is canceled at least 2 hours prior to scheduled pickup)***

Late Cancellation: 1 point – ***(If trip is canceled at least 30 minutes prior to scheduled pickup)***

No-Show: 2 points

NOTE: Trips missed by the individual for reasons out of his or her control are not assessed points and are not used as a basis for determining if a pattern or practice Late Cancellations or No-Shows exists.

Violations

No-Shows and Late Cancellations are recorded daily and accumulated for a continuous, rolling 30-day period for purposes of enforcing the “No-Show Policy”. Concho Valley Transit reviews total points assessed during a rolling 30-day period and calculates penalties as follows:

6 points in a rolling 30-day period: Warning Letter

8 points in a rolling 30-day period: Up to (3) day suspension

24 points in a rolling 60-day period: Up to (1) month suspension

48 points in a rolling 180-day period: Up to (3) month suspension

To account for frequent ridership, penalties are NOT assessed if total No-Shows and Late Cancellations for the period are less than 15% of the customer's total trips.

Customers in violation of the Late Cancellation and No-Show Policy will receive written notice of the violation including details of the pending suspension of service. Customers will be given 14 days from the date of the notice to appeal the decision (see the Appeals Process) or to arrange for alternative transportation options during the suspension. Following the suspension period, customers will automatically be cleared to resume service. Subscription service is not automatically reinstated following a suspension. Please contact your Customer Service Agent to re-apply for subscription service.

NOTE: Notices are sent to your primary address on record. It is your responsibility to ensure that CONCHO VALLEY TRANSIT has your current contact information. Please call 1-877-947-8729 and speak with a Customer Service Agent to verify or update your information.

Appeals Process

Concho Valley Transit has established an administrative appeals process in accordance with the Americans with Disabilities Act, section 37.125(g) for individuals who are denied eligibility and for

individuals who have been suspended from the provision of complimentary para-transit service due to a pattern or practice of missed trips.

Customers will be sent information about how to appeal with his or her denial or suspension letter. The process includes

- An opportunity to be heard and to present information and arguments to an appeals board consisting of persons not involved with the initial decision to deny eligibility or suspend service
- A written notification of the decision within 30 days of the completion of the appeals process including the reasons for the decision.

Eligibility Denial

Appeals regarding eligibility must be filed within 60 days of the denial of an individual's application. NOTE: The entity is not required to provide Para-transit service to the individual pending the determination on appeal. However, if the entity has not made a decision within 30 days of the completion of the appeal process, the entity shall provide Para-transit service from that time until and unless a decision to deny the appeal is issued.

Suspension of Service

Customers found to be in violation of the Late Cancellation and No-Show Policy and/or Passenger Code of Conduct are given a 14-day notice prior to the start of suspension, depending on the severity of the situation, in order to appeal the decision to the Safety/Operations Manager or to arrange for alternative transportation options during the suspension.

Customers who appeal a suspension for violation of the Late Cancellation and No-Show Policy and/or Passenger Code of Conduct will be allowed to continue to use Concho Valley Transit, during the 14 days allotted, pending the outcome of the appeal. The Safety/Operations Manager will issue the decision, in writing, whether to uphold or terminate the pending suspension based on all information provided.

Should an individual wish to appeal the decision of the Safety/Operations Manager, he/she may do so within 10 business days by submitting a written letter of appeal to the Director of Transit who will then have 14 days to respond to the appeal. The General Manager's decision is final. Passengers may be suspended for 30, 60, 180 days or may be banned permanently based on the severity of the actions. Suspensions that are upheld following the appeal will begin immediately upon completion of the appeals process. Following the suspension period, customers will automatically be cleared to resume service. Subscription service is not automatically reinstated following a suspension. Please contact your Customer Service Agent to re-apply for subscription service.

- Subscription Service may be temporarily suspended by the customer during periods when travel is not needed like vacations, hospital stays, etc. Contact your Customer Service Agent if you need to temporarily suspend your trips. Remember you must call Customer Service to resume your Subscription Services.

If no one is present to receive a customer who is unable to be left unattended, the customer may be kept on the vehicle during subsequent trips. Concho Valley Transit will attempt to reach the customer's emergency contact to make arrangements for a drop off. If the emergency contact cannot be reached by the end of the vehicle's run the customer will return to Concho Valley Transit depot and placed in the custody of the proper authorities. A pattern or practice of related incidents may result in suspension of service.

Health / Safety Threats

Service may be withheld from customers that pose a direct health or safety threat to others. A customer will be limited or excluded from service if a direct health threat situation exists and if the threat cannot be eliminated by reasonable accommodations, e.g., excessive bleeding, waste matter on person, etc.

Violent, illegal, or disruptive conduct is not allowed aboard the vehicle. If a driver reports inappropriate behavior by a customer (or parent, care provider, etc.), and the conduct continues to interfere with the safe operation of a Concho Valley Transit vehicle, a service suspension may occur.

Passenger Code of Conduct

Violation of the "*Passenger Code of Conduct*" may lead to immediate removal from the CVT vehicle and/or suspension of transportation services – Customers in violation of the "*Passenger Code of Conduct*" **may** receive written warning of the violation depending on the severity of the situation and based on managerial discretion.
